The only prayer in this writ petition is to issue a writ of mandamus or such other appropriate writ, order or direction to the respondents to conduct re-valuation of the answer sheets of the petitioners in the subject of Micro Electronics Technology (subject code EC 2K 803) of the VIIIth semester for B.Tech degree in Electronics and Communication. It is on record that the results of the above examination were published on May 5, 2007 and petitioners had submitted Ext.P3 and P5 applications for re-valuation within a week therefrom.

2. Learned Standing Counsel submits that normally the University may take atleast 3 months to complete the revaluation.

3. In the peculiar facts and circumstances, particularly having regard to the fact that petitioner No.1 is stated to have been selected for M.Tech, I am satisfied that the University can be directed to complete the process of revaluation of the paper mentioned above pursuant to Exts.P4 and P5 as expeditiously as possible, at any rate within six weeks from the date of receipt of a copy of this judgment. Ordered accordingly.

Writ Petition is disposed of in the above terms.

A.K. Basheer
Judge.
